1939-1945

1914-1918

CONFLICT: 1861-1865

Long ago when several of our veterans passed, memorials were not placed to commemorate their lives or service. They were forgotten. Years passed until Pioneer Chapter, Daughters of the American Revolution researched and applied for appropriate memorials from Veterans Affairs (VA).

During 2023, 17 veteran burials were marked with new VA marble headstones. Each one was researched, approved, and delivered. Then the headstones were installed, and dedicated in Silent Camp. Seven of these newly placed memorials were "Unknown" soldiers, originally interred at Old Fort Boise. Pioneer Chapter appreciated the help with this process from Boise Parks & Recreation and numerous nonprofit volunteers who made the efforts possible.

Currently, Pioneer Chapter is working on 30 more VA marble headstones and flat bronze markers for veterans buried in Silent Camp or Field of Honor 2. Pioneer Chapter is requesting your help to cover the cost of installing these newly approved memorials. A dedication ceremony is being planned for Fall 2024.
